We are going on that letter. Presently, I am working on another mining permit, but we should be able to send our letter by next week. Thank you for your interest on this matter. I am working from an alternative location, can be reached at 856/858-9345.

Thanks,

Francisco Cruz

Subject: specific objection follow up letter

Could you tell me if the EPA sent the follow up letter to VA DMLR, regarding EPA's objection to the permit renewal for Red River 0081401/1101401?

If yes, could you please forward me a copy?

If no, could you tell me if there are there still plans to send that letter?

Thank you,
Jessica

Here is the DMR. I'll send the benthic monitoring reports in separate emails b/c of the large file sizes.
